EDUCATION

BMS, Avaraikulam *12th*
MARCH 2024
*Achieved **87.5% (525/600)** in Higher Secondary Education.*

St. Anne's, Rajakrishnapuram *10th*
MAY 2022
*Achieved **79.2% (396/500)** in Secondary School Education.*

PROJECTS

Personal Portfolio Website

Personal Portfolio | HTML, CSS, JavaScript
Designed and built a responsive portfolio website to showcase my skills, projects, and certifications. Organized into clear sections so recruiters can reach my details and links quickly.

Data Analysis Projects

Data Analysis | Python, SQL, Excel
Cleaned, analyzed, and visualized datasets to find trends and present clear, useful insights. Used SQL queries and Python to explore the data and summarize the results.

Machine Learning Mini Project

Prediction Model | Python, Scikit-learn
Trained and compared machine learning models, including ensemble methods, on a real dataset to predict outcomes and measure accuracy.

Excel Data Dashboard

Reporting Dashboard | Excel
Built an interactive Excel dashboard with formulas, pivot tables, and charts to summarize data and track key numbers at a glance.

SKILLS

Python programming

SQL Programming

Git and GitHUB

Web development

Excel

CERTIFICATE COURSE

Artificial Intelligence for All Infosys Springboard (Aug 2025)

Ensemble Learning and Ensemble Learning Techniques Analytics Vidhya (Jan 2026)

AWS Academy Graduate Machine Learning Foundations AWS Academy (Jan 2026)

LANGUAGES

English , Tamil

HOBBIES

Music , outing
